RE: Final Audited Financial Report for the County of Floyd

Dear Ms. Henshaw:

Our auditors will be not submitting the Comparative Report Transmittal Form or audited financial statements for the County of Floyd on or before December 15, 2022. We anticipate submitting the audited financial statements for the year ended June 30, 2022 by January 15, 2023 after all components of the report have been reviewed and approved by management. In addition to implementation of GASB Statement No. 87, *Leases*, the County has experienced some staffing turnover in our accounting office and annual reconciliations have taken longer than usual.

Sincerely,

Linda Millsaps
County Administrator
